This document is issued under the provision that no liability is accepted and that the applicant shall indemnify third-party liability.

Reproduction of the complete document is permitted.
The notification of NMI Certin as Issuing Authority can be verified at www.oiml.org.

This Certificate attests the conformity of the above identified type (represented by the sample or samples identified in the associated Test Report) with the requirements of the following Recommendation of the International Organization of Legal Metrology (OIML):

R85
Edition 1998 (E)
for accuracy class 2

This Certificate relates only to the metrological and technical characteristics of the type of instrument covered by the relevant OIML Recommendation identified above.

This Certificate does not bestow any form of legal international approval.

The conformity was established by the results of tests and examinations provided in the associated Test Reports:

R85/1998-NL1-06.01 that includes 55 pages.

CPC/603949 that includes 17 pages.

CPC/611627 that includes 43 pages.

The design of the above mentioned automatic level gauge is identical to the type of the automatic level gauge as described in the OIML Certificate of Conformity N° R85/1998-NL1-07.01, manufactured by the company Endress + Hauser GmbH. The manufacturer produces the automatic level gauge based on a license agreement with the company Endress + Hauser GmbH, for whom the above mentioned OIML Certificate of Conformity was issued previously.

The Issuing Authority, NL1
