Note for CIML Members

Subject: Election of the CIML First Vice-President at the 40th CIML Meeting

Dear Colleagues,

As explained in BIML Circular no. 05/120 dated 7 January 2005, the CIML will elect a First Vice-President at its 40th Meeting in Lyon.

At the Presidential Council Meeting held in March, it was agreed that the elected Vice-President will take over his/her duties immediately, while Pr. Kochsiek will remain as Vice-President up to the end of the 41st CIML Meeting in 2006. Therefore during this transition period, the CIML will have three Vice-Presidents.

May I remind you that we are expecting candidates to declare their intention to run for the Vice-Presidency and if you intend to stand for election, we would be grateful to receive your application before 15 May 2005.

Best regards

J.F. Magaña
BIML Director
