Note for CIML Members

Subject: Draft Strategy and Action Plan

Dear Colleagues,

I would like to take this opportunity to remind you that the CIML adopted the following resolution at its 40th Meeting in Lyon:

4.2 Long Term Strategy and Action Plan

The Committee discussed the Strategy and the Action Plan, and commented on these two documents. CIML Members are requested to send additional comments to the President and to the Bureau by the end of July 2005.

The Committee instructed its President and the Bureau to circulate these drafts for postal approval before the end of 2005, amended according to the comments expressed.

We therefore kindly request that you send in your comments **before 29 July 2005** so that the BIML can draw up a final draft that will be submitted to the CIML for postal approval in September.

You can find the two draft papers "Strategy" and "Action Plan" in a zip file that can be downloaded from the OIML web site at the following address: <http://www.oiml.org/lyon>

Thanking you for your kind cooperation,

Best regards

J.F. Magana
BIML Director
