

BIML 06 No. 190/cp

6 March 2006

**To: CIML Members**

**Subject: CIML ballot on OIML R 49 *Water meters intended for metering cold potable water and hot water (Parts 1, 2 and 3)***

Dear Colleagues,

The Drafts of the revisions of OIML Recommendations R 49-1, R 49-2 and R 49-3 have been uploaded onto the Members Page of the OIML web site in the form of three WinZip files.

CIML Members are now invited to express their vote in a preliminary ballot on Parts 1 and 2; comments may also be submitted using the form contained in the Zip file.

The TC 8/SC 5 Secretariat will then prepare the final Draft Recommendations of Parts 1 and 2 based on any comments received from CIML Members. The final DRs will be submitted to the CIML at its 41st meeting in October 2006, provided that the result of the present CIML ballot is favorable.

The DR of R 49-3 *Test Report Format* is also submitted to the CIML for direct online approval and comments. Concerning Part 3, "Yes" votes from more than 50 % of CIML Members will be sufficient for approval.

The deadline for the ballot/approval for all three Parts is 31 May 2006.

To access the documents, please visit <http://www.oiml.org/members> and click on "Click To Vote" in the table at the bottom of the Members' home page.
