Note to CIML Members

Subject: Nominations for OIML Awards (2007)

Dear Colleagues,

The Presidential Council will meet at the beginning of March 2007.

On this occasion, we would like to discuss the OIML awards (Medals or Letters of Appreciation) to be presented during the 42nd CIML Meeting this coming October in Shanghai, China.

To this end, I would be grateful if you could send me any nominations you wish to make for colleagues in your Country, together with a few words explaining the reasons why you wish to make such a nomination.

As your proposals will be examined at the Presidential Council Meeting which is less than a month away, I would appreciate receiving your reply no later than February 23rd, 2007.

Yours faithfully,

J.F. Magana
BIML Director
