Subject: Online preliminary ballot: OIML Draft Document  
*Guide for the application of ISO IEC 17025 to assessment of testing laboratories involved in legal metrology testing*

Dear Colleagues,

The above-referenced Draft Document has been uploaded onto the Members' Page of the OIML web site in the form of a WinZip file. CIML Members are now invited to vote in a preliminary ballot.

The OIML TC 3/SC 5 Secretariat will then prepare the final Draft Document based on any comments received from CIML Members. The final DD will be submitted to the CIML for approval at its 43rd meeting in October 2008, provided that the result of the present CIML ballot is favorable.

The deadline for the ballot is **3 September 2008**.

To access the documents, please visit [www.oiml.org/members](http://www.oiml.org/members). A WinZip file may be downloaded using the link in the table at the bottom of this page. To vote, click on "Click to vote" in the same table. You may then enter your country's vote using your personal ISO country code login and the password supplied to you previously. If you have forgotten or mislaid your personal password, please visit [www.oiml.org/members/data/reminder.html](http://www.oiml.org/members/data/reminder.html) to retrieve it by e-mail.
