To: CIML Members

Subject: Online preliminary ballot: OIML Draft Recommendation *Instruments for continuous measuring SO₂ in stationary source emissions*

Dear Colleagues,

The above-referenced Draft Recommendation has been uploaded onto the Members Page of the OIML web site in the form of a WinZip file. CIML Members are now invited to vote in a preliminary ballot.

The OIML TC 16/SC 1 Secretariat will then prepare the final Draft Recommendation based on any comments received from CIML Members. The final DR will be submitted to the CIML at its 44th meeting in 2009, provided that the result of the present CIML ballot is favorable. Alternatively, the CIML could be requested (at its 43rd Meeting in October 2008) to approve it by direct online vote.

The deadline for the ballot is **28 October 2008**.

To access the documents, please visit <http://www.oiml.org/members>. A zip file may be downloaded using the link in the table at the bottom of this page.
