

Note

**to CIML Members, OIML Corresponding Members,
Issuing Authorities and Manufacturers of measuring instruments**

Subject: New category of measuring instrument included in the OIML Certificate System

In application of Resolution no. 18 of the 43rd CIML Meeting, the category "Taximeters", covered by OIML Recommendation R 21, edition 2007, is hereby included in the OIML Certificate System for Measuring Instruments as of 1 November 2008.

J.F. Magana
BIML Director
