

**Note to CIML Members**

**Subject: CIML direct online approval: New OIML Recommendation**  
*Instruments for continuous measuring SO<sub>2</sub> in stationary source emissions*

Dear Colleagues,

OIML TC 16/SC 1 *Air Pollution* was responsible for drawing up a new OIML Recommendation *Instruments for continuous measuring SO<sub>2</sub> in stationary source emissions* under project p2.

Further to Resolution No. 26 adopted at the 43rd CIML Meeting, it was decided to submit the Draft Recommendation to CIML online approval.

To this end, you are kindly requested to post your comments (if any) and vote on this Draft Recommendation via the Members' page of the OIML web site **at the latest by 15 May 2009**.

In order to be directly approved online, according to OIML B 1 *OIML Convention* at least two-thirds of CIML Members shall cast votes and no negative votes shall be cast. In the event that these conditions are *not* fulfilled, the Draft Recommendation will be submitted for regular approval by the CIML at its 44th Meeting this October.

Please do not hesitate to contact us if you require any additional information or assistance in voting.

Yours faithfully,

Mrs. Régine Gaucher
