

BIML 11 No. 112/WK

26 January 2011

To: CIML Members

Subject: Direct CIML online approval of the revision of OIML D 16
Principles of assurance of metrological control

Dear Colleagues,

The Draft OIML Document D 16 has been uploaded onto the Members Page of the OIML web site in the form of a WinZip file. CIML Members are now invited to vote in a direct CIML online approval.

I would like to remind you that one of your obligations as a CIML Member is to vote in all direct CIML online approvals. According to the OIML Directives for the technical work, a Draft Document is formally approved if a majority of CIML Members has provided a favorable vote and if there are no objections in principle to its publication from any of the CIML Members. If these conditions are *not* fulfilled, the Draft Document will have to wait and be submitted for regular approval by the CIML at its 46th Meeting in October 2011.

The deadline for this direct CIML online approval is **27 April 2011**.

To access the documents, please visit www.oiml.org/members. A zip file may be downloaded using the link in the "CIML online ballot and comment" table at the bottom of this page. To vote, click on "Click to vote" in the same table. You may then enter your country's vote using your personal ISO country code login and the password supplied to you previously. If you have forgotten or mislaid your personal password, please visit:

to retrieve it by e-mail. Please contact me if you have any difficulties.

Kind regards,

Willem Kool
