Subject: CIML preliminary online ballot - 2DV revision of OIML V 1:2000 *International vocabulary of terms in legal metrology (VIML) (bilingual French-English)*

Dear colleagues,

A draft (DV) for the revision of OIML V 1 *International vocabulary of terms in legal metrology* was submitted for CIML preliminary online ballot in March 2012. A number of the comments received required substantial changes to the text of the draft. It was, therefore, considered appropriate to ask the secretariat of TC 1 to develop a further draft, taking the comments into account.

As a result, the secretariat of TC 1 has prepared the 2DV (draft vocabulary) that is now submitted for CIML preliminary online ballot in accordance with paragraph 6.5.5 of the *Directives of OIML technical work* (OIML B 6-1:2012).

You are requested to cast your vote and submit any comments by the deadline of **15 April 2013**.

Please note that:

1. The 2DV is in English only. The previous draft (DV) also contained the text translated into French to allow French speaking Members to comment on the translation. No comments on the translation were received. The French text will be updated and made available in the final draft (FDV) when it is submitted for CIML approval.
2. The 2DV is also submitted as the fourth committee draft (4CD) to the experts of TC 1 for their comments and approval.
3. If the current preliminary ballot is successful, the final draft (FDV) will be submitted to the CIML for approval at the CIML meeting in Ho Chi Minh City (6–11 October 2013).

Best regards,

Willem KOOL
