

CIML 13 N° 142/PM-SP

8 April 2013

Note for CIML Members

Subject: Nominations for OIML Awards to be made at the 48th CIML Meeting

Dear Colleagues,

As in previous years, the CIML President will present OIML Awards to individuals who have made an outstanding contribution to international legal metrology.

There are two types of Award:

- Specially engraved Medals in recognition of an individual's distinguished contribution over several years; and
- Letters of Appreciation, in recognition of an individual's contribution over the past year that merits public acknowledgment.

Active CIML Members are not eligible for either of the awards.

If you have identified any individuals to whom you feel the OIML should make an award, I invite you to send me your nomination(s) accompanied by a short note explaining your reasons for making the nomination. I will examine, with the assistance of the Bureau, your proposals and decide on the awards to be made in Ho Chi Minh City, Viet Nam.

Please send your proposals to Stephen Patoray, BIML Director, no later than **1 August 2013**.

Yours sincerely,

Peter Mason
CIML President
