CIML Member comments on: OIML TC 6	Draft Document:	Title: Guidance for defining the system requirements for a certification system for prepackages	TC 6 Project: new project
	Circulation date: 2012.10.31	Closing date for comments: 30 January 2013	
Secretariat: South Africa			

<b>Country Code</b>	<b>Clause/ paragraph/ table</b>	<b>gen./ edit./ techn.</b>	<b>COMMENTS</b>	<b>PROPOSED CHANGE</b>	
AU	General	gen	Australia does not support the proposal to terminate TC 6 project p1 "OIML certificate system for prepackages". However, in the event that the proposal to terminate is successful we support the development of a guidance document on the basis of the 3CD.
