*Continuous totalizing automatic weighing instruments (belt weighers)*  
*Part 1: Metrological and technical requirements*  
*Part 2: Metrological controls and performance tests*

Dear Colleagues,

The Draft revision of OIML Recommendation R 50-1 and R 50-2 has been uploaded onto the Members Page of the OIML web site in the form of a WinZip file. CIML Members are now invited to vote in a preliminary ballot. I would like to remind you that one of your obligations as a CIML Member is to vote in CIML preliminary ballots.

As soon as possible after the ballot deadline, the TC 9/SC 2/p 7 convener will prepare the Final Draft Recommendation based on any comments received from CIML Members. A Final Draft will then be submitted to the CIML for approval at its 48th meeting in October 2013, provided that the result of this CIML ballot is favourable.

The deadline for this preliminary ballot is **8 July 2013**.

To access the documents, please visit [www.oiml.org/members](http://www.oiml.org/members). A zip file may be downloaded using the link in the "CIML online ballot and comment" table at the bottom of this page. To vote, click on "Click to vote" in the same table. You may then enter your country's vote using your personal ISO country code login and the password supplied to you previously. If you have forgotten or mislaid your personal password, please visit:
